AGN Cross Country Commission and Selectors will select athletes per age category according to the guidelines set by ASA for 2023, eighteen athletes per gender per age group. The athletes selected in accordance with the ASA guidelines will represent the province at the Inter Provincial Cross Country event. The final number of athletes per age group will be at the discretion of the AGN Cross Country Commission, Selectors and the AGN Board and the final decision on the number of athletes will remain in their discretion. In order to qualify athletes must participate in a minimum of **TWO** of the four league races. The final decision on team selection lies with the AGN Cross Country Commission and Selectors. The team selection based on the required criteria will be final. The AGN Commission and Selectors reserve the right to select a fewer number of athletes than ASA stipulates in its guidelines. The best athletes per age category (as determined by the ASA guidelines), who participated in a minimum of **TWO** of the four leagues, may be selected based on a comparison of their positions at the leagues they participated in.
