

AGN ROAD RUNNING AWARDING OF FIXTURE DATES TO AGN CLUBS – 2027

Call for Applications: 2027 Race Dates

The AGN Road Running Commission invites all clubs to apply for race dates for the 2027 calendar year.

Closing date: 31 August 2026.

Late applications will not be considered.

1. Allocation of Race Dates

- The AGN Road Running Commission will allocate race dates to clubs.
- Only permanently affiliated clubs in good standing with AGN will be eligible for consideration.
- Clubs may apply for a maximum of three (3) events/races. Approval of a second or third race will depend on a club's written motivation and track record, particularly for clubs that successfully hosted races during 2026.

2. Race Cancellations

- Clubs that cancelled a race in 2026 without valid, pre-approved justification will forfeit the right to host that race for the next two (2) years.
- Races cancelled with less than three (3) months' notice may result in the loss of the date for the following year.
- Clubs with outstanding levy or temporary license fees beyond two (2) months after hosting a 2026 race will have their 2027 race date automatically revoked.

3. Race Requirements to consider

- Race organisers are strongly encouraged to reward the top three (3) athletes in each of the following categories: Senior, Junior, and Veteran.
- Final race flyers must be submitted at least three (3) months before the race date for official approval by the Commission.

4. Sunday & Wednesday Races

- Clubs are welcome to apply for race dates on Sundays and Wednesdays.

5. Shared Race Dates

- In exceptional circumstances, the Commission may approve two races on the same date.
- Both clubs will be informed and must reach a mutual agreement. If no agreement is reached, the Commission will make the final allocation decision.
- Clubs must submit two proposed dates per event: a preferred date and an alternative date.

6. League Race Allocation

- The AGN Road Running Commission will determine which races form part of the official AGN League.
- League race status is not automatic and must be applied for.
- Preference may be given to clubs with a proven track record of successfully hosting quality events and complying with AGN and ASA requirements.
- No race will be awarded AGN League status if it is scheduled on the same date as an ASA National Championship or any other ASA National event.
- The Commission reserves the right to add, remove or replace League races where necessary in the best interests of AGN.

How to Apply: Submit the below application form (including motivation and date preferences) to the AGN Office by email on/before **31 August 2026**.

2027 APPLICATION FORM – AGN ROAD RUNNING RACE

Kindly be aware that your requested date is tentative until final confirmation

Closing Date for Applications is 31 August 2026, and no late applications will be considered.

Please forward your applications to the AGN office (assistant@agn.co.za) and copy the Road Running Commission Chairperson (enoch.skosana@gmail.com).

NAME OF CLUB: _____

Did your club cancel a race in the last two years? Yes ☐ or No ☐ If yes, please specify why your race was cancelled:
